THE PROBLEM IN REAL ESTATE INDUSTRY

GO-DIGITAL ENTERPRISES PVT LTD

Real Estate Industry has a Sales Execution Problem

Developers invest heavily in:

- Project development
- Branding
- Digital marketing
- Lead generation
- Inventory

But generating a lead does not guarantee a sale.

GO-DIGITAL

THE PROBLEM IN REAL ESTATE INDUSTRY
GO-DIGITAL ENTERPRISES PVT LTD

The major leakage happens between:

Lead → Contact → Qualification → Site Visit → Negotiation → Booking

Common challenges include:

- Slow lead response
- Poor follow-up
- Inconsistent sales processes
- High salesperson turnover
- Weak CRM discipline
- Poor lead qualification
- Site-visit drop-offs
- Limited sales analytics
- Difficulty scaling sales teams quickly

The result: Expensive leads + low conversion + unsold inventory

We Become Your Sales Engine

GO-DIGITAL provides an outsourced sales organization for real-estate companies.

We combine:

- People + Process + Technology + Data + Legal Coordination

Manage the customer journey from:

- Lead → Site Visit → Negotiation → Booking

Instead of building a large internal sales organization, developers can access a ready-to-deploy sales team and operating system.

GO-DIGITAL, A Real Estate Sales-as-a-Service company can handle the entire sales process on behalf of developer:

- Lead Generation :Digital Campaigns, Portals, Referrals, Outbound Calling
- Lead Qualification :Identify Budget, Location, Property Preference, Buying Timeline
- Inside Sales : Calling, WhatsApp Follow-ups, Email nurturing
- Site-Visit Management : Schedule and Confirm Property Visits
- Field Sales : Accompany Prospects and Conduct Property Presentations
- Sales Conversion: Negotiation, Booking, Documentation Coordination
- CRM Management: Track every lead and Sales-stage movement
- Post-Sales Support: Booking, Loan/Documentation Coordination and Handover
- Sales Analytics: Conversion rates, Cost per lead, Site-Visit-To-Booking Ratios, Revenue Forecasting

The strongest customers are typically:

1. Real-estate developers launching new projects
2. Small and mid-sized builders without a strong in-house sales team
3. Real-estate brokers/channel partners that need additional sales capacity
4. Commercial-property owners selling or leasing office/retail/industrial space
5. NRI-focused property companies needing remote sales coverage
6. Investors/asset owners looking to exit or lease properties
